MEMORANDUM FOR: Chief, Mobilization and Military Personnel Division

SUBJECT : CIA Civilian Standby Reserve

REFERENCE : Memorandum from Acting Chief, MMPD, dated  
21 March 1960, Subject as above.

1. Per your request this office has checked the list of names which was attached to the reference. We have indicated those cases which for cover reasons we believe should not be contacted in conjunction with the civilian standby reserve program and return the list herewith.

2. This should not be construed as an endorsement by Central Cover Division of the plan to contact individuals not previously deleted by the Office of Security or ourselves. We have sincere reservations on the advisability of this program for the following reasons:

a. The names which have been submitted have in many cases omitted the given name of the spouse which fact makes our file check inclusive and raises a distinct possibility the overt communications may be directed to an individual whose spouse is in a strictly covert status.

b. Cover Division files do not necessarily include the names of former staff employees who may now have sensitive contractual relationships with the Agency. This information might be obtained from the Contract Personnel Division of the Office of Personnel.

c. There is no way of definitely determining that the file address of these individuals is the present address which highlights the risk of mail being forwarded to overseas locations much to the embarrassment and possible risk to an individual.

  
Chief, Central Cover Division
